MILWAUKEE- On Monday November 17, 2008, Greg and Nicole Jennings will be hosting an autograph signing fundraiser to benefit the Milwaukee Habitat for Humanity at Mayfair Mall. Photo and interview opportunities will be available for press from 5-7pm.

Greg Jennings, along with Aaron Rodgers, James Jones, Ruvell Martin, Brandon Jackson, Ryan Grant and Donald Lee will be appear at the Food Court at Mayfair Mall in Wauwatosa, Wisconsin to sign autographs for fans. All proceeds will benefit Milwaukee Habitat for Humanity. Tickets are being sold for \$150 and fans will be able to get autographs from all the players for that one price. Tickets are being sold at all three Jeff's Sports locations in Brookfield, Menomonee Falls and Wauwatosa.

This will be Aaron Rodgers first public appearance since joining the Packers as their starting quarterback. Aaron and his offensive teammates are excited for the opportunity to host this event where all proceeds will benefit Milwaukee Habitat for Humanity.

"I can't say enough about Habitat for Humanity. My wife Nicole and I built our first home with them this past summer in Milwaukee on North 24th Street and the experience was overwhelming. Myself and my family helped the first week of building our home and we couldn't believe the support Habitat received from the volunteers and the neighborhood. To be able to give back to the community in this profound way – helping fund housing for those less fortunate, makes me want to do as much as I can for Habitat. My teammates are eager to come out on the 17th to raise money so we can build another house."

"We are honored to be supported by Greg Jennings and his teammates; it is great to see athletes that are so visible in the community support Habitat's mission of building simple, decent and affordable homes in partnership with low-income families in Milwaukee." –Sara Kierzek, Executive Director
